The Regina Ski Club final scheduled bus trip of the season is to a location that the club hasn't been to for sometime!

Greenwater Lake Provincial Park's 25 km of trails are groomed for cross-country skiing (single track with skating lane). All the trails are rated Intermediate and provide a scenic, sheltered route through the forest. There is a warm up shelter at the half way point.

Skiers on Regina Ski Club bus trips are known for being friendly, courteous and friendly, especially so when welcoming new members to the club. All soon learn that the bus trip is a part major reason for the enjoyment we all experience.

Customer service and satisfaction is also a high priority with Engelheim Charter Bus Service.

They have made cleaning and disinfecting a high priority with their buses. On board air quality is optimized with cabin air completely exchanged with fresh, outside air approximately every ten minutes.

HVAC system filters recirculate air with high rated filters that remove respiratory droplets.

The bus leaves the Sask Power Parking lot at 8:00 AM.

Members should bring a lunch as there is no restaurant at the trail head.

Expected return time to Regina between 8:30 and 9:30 PM.
