

REGINA SKI CLUB

Nordic Bus Trip To Madge Lake, Saturday, December 18th

Seats Still Available

NEW MEMBERS ALWAYS WELCOME

We currently have 16 people signed up for this first scheduled trip. A little more than doubling that amount of members would make the trip viable for the club. It would still provide spacing for people, as the maximum bus capacity is 55 people.

Note that pre-registration will keep members advised if a trip is cancelled, due to a lack of known participants or if weather conditions are not ideal.

As of Thursday November 25th, Duck Mountain Trails have been packed and tracked. Most trails have good conditions. Rundle Lake trails conditions are fair. The weather forecast for the area over the next couple of weeks is below zero highs and snow.

Hopefully ideal skiing conditions!

Dave Safnuk (306) 543-9877 is the current contact for this trip.

Chuck Brumwell (306) 531-6628 is the trip leader, secondary contact.

Refreshments and snacks will not be available on the bus. Please bring your own along with your lunch, masks, and your double vaccination confirmation.
