Skiers on Regina Ski Club bus trips are known for being courteous and friendly, especially so when welcoming new members to the club. All soon learn that the bus trip is a part major reason for the enjoyment we all experience.

Customer safety, service and satisfaction are all priorities of Engelheim Charter Bus Service.

They have made cleaning and disinfecting a high priority with their buses. On board air quality is optimized with cabin air completely exchanged with fresh, outside air approximately every ten minutes. HVAC system filters recirculate air with high rated filters that remove respiratory droplets.

The bus leaves the Sask Power Parking lot at 8:00 AM.

Members may bring a lunch and their own beverages as there will be no food or drinks provided on the bus. There will be a stop for supper at a restaurant on the trip home. Our trip ends returning to Regina between 8:30 and 9:30 PM.
