

## Volunteers Needed To Help with Sask Winter Games

Your Regina Ski Club is Hosting the Cross Country Ski/Para Nordiq and Alpine events at the 2023 Saskatchewan Winter Games, February 19 to 25, 2023. The success of these events and providing a positive experience to the athletes, coaches and spectators rests upon the work of our Club Volunteers.

Our club currently needs volunteers to help run the Nordic and ParaNordic events. Our existing groomers will ensure the ski trails are ready for the skiers. We need volunteers to serve as officials at the races. This may involve timing, helping get skiers lined up for starts, or watching at a check point to ensure all skiers pass. Ski events will take place in the Foothills and Douglas Park in Wascana on February 23, 24 and 25.

**Please consider volunteering.** It will be a great experience and will help make it a great experience for young athletes from across the province.

To volunteer you must sign up at: <https://saskgames.ca/winter/volunteer>.

Also please email the club at [reginaskiclub@outlook.com](mailto:reginaskiclub@outlook.com) so we know to look for you in the lists of volunteers.

The Winter Games, of course, also need volunteers to help with many aspects such as accommodation in addition to running the actual events.

There are benefits beyond knowing you have helped in putting on a great Games experience:

- 2023 Saskatchewan Winter Games Volunteer uniform which includes a toque, long sleeve shirt and cinch bag;
- Access to all the sport events throughout the week of the Games;
- Discount on Saskatchewan Winter Games Merchandise;
- Access to volunteer lounges throughout the Games with snacks and refreshments;
- Opportunity to develop new skills and meet new people;
- Opportunity to give back to your community and youth sport in the province.

We also thank the Winter Games for providing Regina Ski Club with a grant which helped us purchase a new snowmobile to ensure we can keep all trails well groomed during the games and for all skiers after the games.
