THE FUNDRAISING

Of course, the real purpose of the SaskTel Classic is to raise funds for the Regina Ski Club Alpine Adaptive Ski Program; funds that will be used to help people with all types of disabilities learn to ski and enjoy life that much more.

THE SASKTEL CLASSIC CHALLENGE CUP RULES

The race format is a dual race, with total team times for both morning run and afternoon run added together for the final total team time. This means that each member of your team races down the course, once in the red course and once in the blue course, all your member’s times will be added together for your total team time. The fastest total team time wins Gold, 2nd fastest time wins Silver and 3rd fastest wins Bronze.

Special categories such as “fastest individual time”, “best wipe out of the day”, and “best team spirit”.

Ski helmets are mandatory and must be worn by all racers.
