## Duck Mountain Nordic Club

The club was out clearing trees Monday. There has not been enough snow to drag the trails to smooth them out. The Park did try to groom some trails, Ski Hill, Moose Lake, Bruno's way, Batka Major and Sergeant. The golf course was groomed Dec 22.

Check [Nordic-Pulse.com](http://Nordic-Pulse.com) for details.

## Introduction to Cross Country Skiing with Regina Ski Club, for Free

When: Sunday January 14th from 1:00 to 4:00 PM.  
Where: Neil Balkwill Civic Arts Centre in Les Sherman Park

Our Ski Club is partnering with the City and Cross Country Saskatchewan to offer people the opportunity to try cross country skiing at no cost. People will join us at the Neil Balkwill Centre where we will equip them with ski boots, skis and poles, provide a quick introduction to cross country skiing, and then get them out onto the Les Sherman ski trails to have fun on skis. No reservation is necessary.

Ski Club members obviously don't need this, so why are we putting it in Sitzmarks? Two reasons:

Holiday Edition

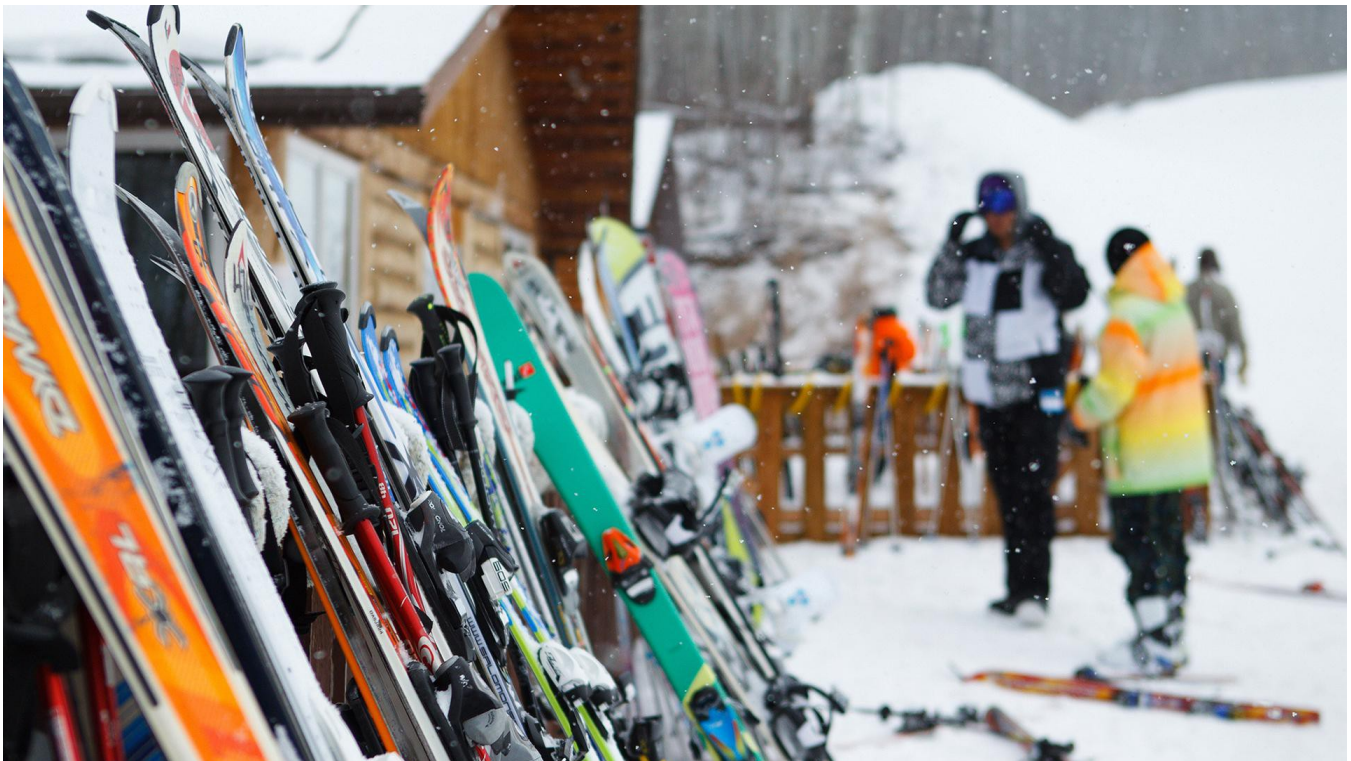

First, members may have friends or family who would like to try skiing. This is a chance to get them out at no cost.

Second, we need 3 or 4 volunteers to run the event, primarily helping them find appropriate boots, skis and poles, but also helping them get started skiing. If you are interested in volunteering, please text or phone:

Dale Hjertaas at 306 529 3234.

Alpine Ski Hills in Saskatchewan

**Joy**

Some of Saskatchewan's best skiing this season are the Saskatchewan ski slopes. Most are valleys, cut into the plains 14,000 years ago by melting glaciers. The prairie ski hills are very affordable and have all sorts of amenities!
