Skiers on Regina Ski Club bus trips are known to be courteous and friendly, especially so when welcoming new members to the club. All soon learn that the bus trip is part for the enjoyment we all experience.

Customer service and satisfaction is also a high priority with Engelheim Charter Bus Service. With a wide range of modern and well maintained buses, Engelheim offers an exceptional travel experience for both short and long distance journeys.

Members should bring a lunch as there is no restaurant at the trail head. We will stop for dinner at a restaurant on the trip home, returning to Regina between 8:00 and 9:00 PM.

**Alternate Dates-** are now scheduled for 4 of the trips this season.  
(All of them the very next weekend.)

**The Reason-** Participant awareness, especially when planning their winter activities, giving them plenty of notice over the season.

Members who sign up for these trips will be informed to indicate if available for the alternative trip.

If so, their registration fee will then be automatically carried forward in the event the original date is cancelled. Participants will not be obligated to that alternate trip receiving a refund of the bus fee. As per refund policy, administration fees will still apply.

If the alternative date is a go, the trip leader will confirm with participants, yes or no, in order to give the required notice to Engelheim if there are not enough participants.

Policies regarding our trips (e.g. cancellations, reservations and refunds) may be found on the RSC website under club policies.
